High School or Equivalent

Salespeople must know how to entice customers and

- You must be creative. This industry is all about new ideas, way to get ahead, but these skills, characteristics and quali

High School or Equivalent and a Lot

Bachelor's Degree

• Salespeople must know how to entice customers and

You must be patient, flexible and willing to take on extra work. Most people in the fashion industry get ahead by working their way up over time and proving themselves. In fashion, there is plenty of work to be done and not always enough people to do it. Going above and beyond what is asked of you will get you ahead faster.

- You must have strong oral and written communication skills. Phone calls, faxes, and emails power this fast-

People interested in public relations must be logical,

- You must be creative. This industry is all about new ideas, way to get ahead, but these skills, characteristics and quali
